- = Neon Green

## 9 Basic Makin's Clay® colors

## 4 Neon + 1 Glow in Dark Makin's Clay® colors

## Color Mixing with Acrylic Paint

Using our Clay Mixing Ruler™, follow the formula of Measurement of G clay + Measurement of B acrylic paint. If mixing without Clay Mixing Ruler™, follow 3cm (1.18") diameter & 6mm (0.25") thickness of clay + 1 drop of acrylic paint [ approx. 6mm (0.25") diameter ]
