information:

Our tape products are considered as articles under the OSHA Hazard Communication Standard (29 CFR 1910.1200). As an article "which will not release, or otherwise result in exposure to, a hazardous chemical under conditions of normal use", it is exempt from the requirements of labeling or Material Safety Data Sheets.

Our tape products may be disposed of as ordinary waste per local, state and federal regulations.

I hope this information is adequate for your files. If you require any additional information, please do not hesitate to contact me.

Sincerely,

Jack Dunphy  
Vice President/General Manager
