American Crafts

Material Safety Data Sheet

Section 1: Product Name: Memory Marker Ink
Manufacturer: American Crafts, 476 North 1500 West, Orem,
Utah 84057
Emergency Telephone number: 801-226-0747

Section 2: Composition Information
Proprietary water based ink

Section 3: Hazard identification
Appearance: full spectrum sampling of 24 colors
Physical State: Thin Water Based Liquid
Odor: Mild
Hazards: Is not considered hazardous. May cause mild irritation to the eyes.

Section 4: First Aid Measures
If an allergic reaction of the eyes, or skin occurs, wash liberally with water. In all cases involving persistent discomfort of the eyes, skin, respiratory tract or digestive tract in cases of ingestion, contact a physician.

Section 5: Fire Fighting Measures
Will not burn until all water has been boiled off.

Section 6: Accidental Release Measures
Use protective gloves and clothing. May be absorbed by clay, sawdust, or cloth spill pigs and later dried and disposed in accordance with most land fill regulations.

Section 7: Handling and Storage
Containers must be stored in temperatures above 10 degrees F
And below 120 degrees F.

Section 8: Exposure

Exposure levels are not yet determined. Direct contact should be accompanied with use of rubber gloves and protective clothing. In cases where aerosols may occur NIOSH/MSHA approved respirator should be used.

Section 9: Physical and Chemical properties

Boiling Point: 212 – 240 degrees F
Freezing Point: 5 – 10 degrees F
Melting Point: N/A
Solubility in water: infinite
Appearance: Thin liquid with slight odor

Section 10: Stability and Reactivity

Stable: Yes
Hazardous Polymerization: Will not occur
Conditions to avoid: Prolonged exposure to skin or aerosol.
Incompatibility: Strong caustics and Oxidizers

Section 11: Toxicological Information

Skin Irritation: Dermal LD/50 Unknown
Acute Oral Toxicity: LD/50 Unknown
Inhalation: LC/50 unknown

Section 12: Ecological Information

No Data

Section 13: Disposal Considerations

Method of Disposal: Dispose of in accordance with applicable Federal, state and local regulations. Disposable as solid in most land fills.

Section 14: Transport Information

Classification: Non-hazardous

Section 15: Regulatory Information

Components are not known to be beyond TCSA limits.

Section 16: Other information

Date revised: 2-10-2006
HMIS Ratings: Health – 1 Flammability – 0 Reactivity – 0
NOTE: The statements made here in are in good faith, with the intention of supplying necessary safety information. No guarantees are stated or implied in regard to the ultimate uses of this product. All information is supplied as accurate within current knowledge.
