Authorization for Name Change(s)

CERTIFYING  
SAFETY AND QUALITY  
SINCE 1940

January 12, 1995\*

Mr. James Wu  
COT Trading Company  
134 Weldon Parkway  
St. Louis, MO 63043

According to the latest revision of the Manual of Procedure of the Certified Products and Certified Labeling Bureau of The Art & Creative Materials Institute, Inc., the Institute has received the following:

- 1. Your request for authorization for name change(s) on your product(s) listed below, a signed Institute copy of the Toxicologist's Approval form;

Upon finding compliance in full with the Bureau procedures, the Institute hereby authorizes you to continue to use the following Seal:

<u>PRODUCT</u>	<u>CERTIFICATION</u>	<u>BRAND NAME</u>	<u>COLOR(S)</u>
Clay, Modeling (Self-Hardening)	AP	Knead-O (formerly called "Air Dry Paper Clay")	n/a

- \* This authorization replaces the one sent on December 28, 1994 that spelled the product name incorrectly.

This authorization will be for this calendar year and may be renewed upon your obtaining permission for the continued use of the Seals annually in accordance with Bureau procedures. The Seals must be used on all authorized products unless an exemption is granted in writing by the Institute. Products bearing the CP Seal must display with the Seal which quality standard is being met.

The use of the Seals on any other than the specifically-authorized products shall immediately result in the loss of the privilege to use the Seals on any and all items. The authority for the use of the Seals automatically terminates should any of the conditions present at the granting of the privilege change. This permission to use the Seals is neither assignable nor transferable. Since the Seals are Registered Trade Marks, the symbol "TM" must appear to the bottom right of these Seals, wherever they appear.

Sincerely,

*Deborah M. Fanning*  
Deborah M. Fanning, CAE  
Executive Vice President
