**THE FLETCHER-TERRY COMPANY**65 Spring Lane • Farmington, Connecticut 06032-3311 • USA  
(860) 677-7331 • Facsimile (860) 676-8858 • Telex 966-479**Statement of Conformity**

In our effort to comply with Federal Laws and Regulations regarding the OSHA Hazard Communication Standard 29 CFR 1910.1200, this letter is offered in response to request for Material Safety Data Sheets for each individual item that The Fletcher-Terry Company supplies.

Under the Standard, we have determined our present product line exempt from Hazardous classification.

Our products are classified by our written Hazard Communications Policy #6019 as "ARTICLE(S)".

An Article means a manufactured item which is formed to a specific shape or design during manufacturing, which has end use function(s) dependent in whole or in part upon it's shape or design during end use and which does not release, or otherwise result in exposure to a hazardous material under normal conditions of use.

It is the intent of The Fletcher-Terry Company to be in 100% compliance with the letter and the spirit of the law.

If we can be of any further assistance, please contact me.

Signed,

  
Larry D. Schnauffer  
Facility Manager
