Fredrix® Wyland Reef Series Canvas Kits

In collaboration with Fredrix, Wyland created these deluxe canvas kits featuring a series of marine animals. Each kit includes a fine-quality, 11" x 14" stretched Tara canvas pre-printed with a Wyland line drawing of a living coral reef, plus two die-cut animal shapes supported by hard panel. Paint the individual shapes and attach them to the seascape to create a 3-D effect. Informational brochure included.

Rainbow® Economy Kraft Paper

This 40 lb paper is an economical alternative to ArtKraft. Designed to be versatile, it has two distinct surfaces, one smooth (ideal for chalk, markers, and pens) and the other rough (perfect for wet media such as tempera paints or watercolors). It's a great choice for displays, table covers, crafts, school projects, and more. The kraft fibers make it easy to cut cleanly, while the durable storage carton dispenses the paper easily and keeps it clean. Available in 15 brilliant colors. Does not qualify for free shipping offer.

Blick® Studio Marker Sets

We're proud to present our own line of quality double-ended markers. This marker is a great value, designed for professionals and students in all areas of design and illustration. One end features a fine nib for sketching and detail work. The broad nib on the other end produces three line widths, and can lay down an abundance of color in ink that is water-resistant and fade-resistant. The cap design prevents markers from rolling off surfaces. Sets of specially selected colors in boxes with plastic trays for easy organization. (Six-color set has no tray.)

Blick® Readycut Printing Plates

Blick proudly presents an innovative new idea in relief printmaking. Blick Readycut is an exclusive product developed to take the guesswork out of relief printing. Created by fusing a thin layer of a traditional gray carving block to a thicker white block, Blick Readycut allows artists to simply carve away the gray layer to reveal the white, and instantly see how their image will look printed. Trace an image on the block — or carve directly for spontaneous creativity. Blick Readycut eliminates repetitive inking, proofing, and cleaning because adjustments and additions are easy to see. It has an infinite shelf life and is soft enough for students at all levels to work with. Available in a variety of sizes, the plates measure 3/16" (5 mm) thick.

Richeson® Clear Carve™ Linoleum

Block printing made easy! Because you can see through it, Clear Carve Linoleum can be placed directly over drawings or photos, eliminating the need for image transfer. It cuts like butter, with clean edges, and is easier to carve than traditional battleship linoleum. Virtually unable to be compressed, Clear Carve can be carved on both sides, for block prints, etching, and stamp making. This unmounted linoleum has a long shelf life and won't crack or become brittle. 1/8" thick.

Soft-Kut® Printing Blocks

Soft-Kut is a rubber material that won't skid away from the student, doesn't need a bench hook to hold it down, and cuts without requiring much pressure or force. The block thickness is approximately 1/4" — thick enough to allow both sides to be cut, thus providing two printing surfaces per block. Cut any size block into small pieces with scissors, a knife, or a paper trimmer for rubber stamping!

Soft, puffy Cloud Clay is as light as air — plus, it's non-toxic and safe for small children to use! With more stretch than other brands of modeling clay, the fibers won't break when pulled apart, so projects are more durable, even down to the smallest details. Because it's extremely pliable, Cloud Clay is fun to squeeze and model, easy to decorate, and it's dry to the touch while being used. Plus, it can be used over and over again when sealed properly. Dries overnight when uncovered. 4 oz size.

Amaco® Balsa Foam®

The amazing plastic foam that carves like butter and paints like wood! Ideal for sculpting and model making, it can be chiseled, sawed, textured, or embossed with sharp-edged detail. Like balsa wood, it accepts virtually any kind of paint. A waterbased finishing medium will seal the foam and harden the surface. Unlike other plastic foams, Balsa Foam will not expand, contract, or warp at temperatures up to 350°F. 5 lb (per cubic foot) soft density.

Value Pre-Cut Mats
 Great for school art shows and temporary matting of prints and drawings. Each mat is cut from high-quality, lightweight white pebble board. The inside edge has been die-cut and scored, allowing you to bend the border inward or, if desired, simply bend the border to the back, color it with a marker or paint and return it to the front for a double-mat effect. Backing sheets are not included. 50 mats per pack.

Merchandise orders totaling \$49 or more ship freight-free via FedEx Best Value whenever possible. Oversized or overweight orders will ship via a freight line. In those cases, the free freight offer includes curbside delivery only. Other services performed at the time of the delivery such as lift gate and inside delivery will incur additional charges. The average transit times will be extended for freight line deliveries and a delivery signature will be required. All other orders, see shipping charges below.

EXCEPTIONS — Additional shipping charges will be added to factory-direct (FOB) shipments, oversized or overweight orders that require lift gate and/or inside delivery, international and U.S. Territory orders, and shipments to Alaska, Hawaii, and Puerto Rico. Shipment of the following stocked art materials will be billed at an additional cost: paper and kraft rolls (500 ft and 1,000 ft rolls); linoleum rolls; stretched canvas 36" x 36" and larger; any combination of clay, plaster, and molding material totaling 50 lbs or more; packages of foamboard; both Quartet Table-mounted Ingento Cutters; the 906 II, 999, and 999 II Etching Presses; the Master Etch and Master Etch II Presses; the Master Etch Bench; all kilns; all pottery wheels; and some shelters. Papers and boards sold individually are subject to an additional handling charge regardless of quantity ordered. Some stocked furniture items will be shipped by truck and billed at an additional cost.

Truck shipment delivers items to your curb or dock. The charge varies and is based on distance, weight, bulk, and other factors. A physical address and destination phone number are required for delivery. The minimum charge is approximately \$87. For an additional \$30, a truck with a lift gate will lower your merchandise to the ground. For an additional \$20, your order can be moved from the curb to a ground-level location just inside your door. Delivery drivers cannot move items up or down stairs or to a specific location. Uncrating, disposing of packing materials, and installation are not included. Questions? Call 800.447.8192.

Note: Please provide both a physical and a mailing address if they are different. USPS Parcel Post is available only if you have no physical address (i.e., P.O. Box) and FedEx Best Value charges will apply.

Due to continuing volatility in fuel costs, shipping charges are subject to change without notice.

*Residential shipments may be shipped via FedEx SmartPost, which is delivered by the USPS.
 **On all orders shipping outside the 48 contiguous states or to APO/FPO addresses, there may be additional freight charges on some items. You will be notified prior to shipment.

SHIPMENTS OF MORE THAN 40 LBS	TBD •	TBD •

* Items that have "DF" included in the item number will receive a freight quote for air shipment. Air orders shipping to Alaska and Hawaii, as well as orders with a total weight of more than 40 pounds, will receive a freight quote.

SHIPPING METHODS — Depending upon the items ordered and destination, shipments to a residential address may be delivered by the local post office. Oversized or overweight orders may ship via freight line. In those cases average transit times will be extended and a delivery signature is required. Items shipped using FedEx Fast2Day service will be received by the customer within two business days, and will be shipped via air or ground. Please note that hazardous items cannot be shipped to destinations outside the continental U.S.

Third-Party Shipping Note — Due to our long-term history of significant shipping volume, Blick has already negotiated very favorable shipping terms with major nationwide carriers for small and large orders, as well as offering free shipping on orders that meet our minimum dollar value. Therefore, it is rarely advantageous to our customers for us to work through a third-party shipping consultant.

FOB Factory and Oversized Items — Items that include "DF" in front of the item number will, in most cases, be shipped directly from the factory and will not qualify for our free freight offer unless otherwise stated. For these additional shipping charges, call the Blick Order Department at 800.447.8192.

PRICES — ALL PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE. We reserve the right to correct typographical errors in our catalogs. Due to volatility in world markets for paper, steel, and energy, it may be necessary for our suppliers to increase prices on some items. We will do our best to absorb these increases, but we may need to increase prices on some of our products as a result. Be assured we will always contact you to ask for your approval to ship the product at the new price. In addition, if product-specific trade tariffs or duties are imposed, we may need to pass those increases along to you as well.

State Sales Tax — Pay your state's sales tax (if listed):
