**Did you know...**  
that Battleship Gray is a very economical way to introduce your students to block printing? Because it's so affordably priced, you might be tempted to stock up; however, we recommend that you order no more than a year's supply at a time, since exposure to air causes this product (which is made from natural resources such as clay, oil, and cork) to harden over time, making it somewhat more difficult to cut.

### Blick® Unmounted Battleship Gray Linoleum in Pre-Cut Pieces

For your convenience, we offer our unmounted linoleum in packages of pre-cut pieces in popular sizes.

### Soft-Kut® Printing Blocks

Soft-Kut is a rubber material that won't skid away from the student, doesn't need a bench hook to hold it down, and cuts without requiring much pressure or force. The blocks are approximately 1/4" thick — thick enough to allow both sides to be cut, thus providing two printing surfaces per block. Cut any size block into small pieces with scissors, a knife, or a paper trimmer for rubber stamping! For use with waterbased block ink only. Solvents will ruin blocks.

Merchandise orders totaling \$49 or more ship freight-free via FedEx Best Value whenever possible. Oversized or overweight orders will ship via a freight line. In those cases, the free freight offer includes curbside delivery only. Other services performed at the time of the delivery such as lift gate and inside delivery will incur additional charges. The average transit times will be extended for freight line deliveries and a delivery signature will be required. All other orders, see shipping charges below.

EXCEPTIONS — Additional shipping charges will be added to factory-direct (FOB) shipments, oversized or overweight orders that require lift gate and/or inside delivery, international and U.S. Territory orders, and shipments to Alaska, Hawaii, and Puerto Rico. Shipment of the following stocked art materials will be billed at an additional cost: linoleum rolls; stretched canvas 36" x 36" and larger; any combination of clay, plaster, and molding material totaling 50 lbs or more; packages of foambord; both Quartet Table-mounted Ingento Cutters; the 906 II, 999, and 999 II Etching Presses; the Master Etch and Master Etch II Presses; the Master Etch Bench; all kilns; all pottery wheels; and some shelters. Papers and boards sold individually are subject to an additional handling charge regardless of quantity ordered. Some stocked furniture items will be shipped by truck and billed at an additional cost.

Truck shipment delivers items to your curb or dock. The charge varies and is based on distance, weight, bulk, and other factors. A physical address and destination phone number are required for delivery. The minimum charge is approximately \$87. For an additional \$30, a truck with a lift gate will lower your merchandise to the ground. For an additional \$20, your order can be moved from the curb to a ground-level location just inside your door. Delivery drivers cannot move items up or down stairs or to a specific location. Uncrating, disposing of packing materials, and installation are not included. Questions? Call 800.447.8192.

SHIPPING METHODS — Depending upon the items ordered and destination, shipments to a residential address may be delivered by the local post office. Oversized or overweight orders may ship via freight line. In those cases average transit times will be extended and a delivery signature is required. Items shipped using FedEx Fast2Day service will be received by the customer within two business days, and will be shipped via air or ground. Please note that hazardous items cannot be shipped to destinations outside the continental U.S.

Third-Party Shipping Note — Due to our long-term history of significant shipping volume, Blick has already negotiated very favorable shipping terms with major nationwide carriers for small and large orders, as well as offering free shipping on orders that meet our minimum dollar value. Therefore, it is rarely advantageous to our customers for us to work through a third-party shipping consultant or to ship and bill individual or corporate accounts.

FOB Factory and Oversized Items — Items that include "DF" in front of the item number will, in most cases, be shipped directly from the factory and will not qualify for our free freight offer unless otherwise stated. For these additional shipping charges, call the Blick Order Department at 800.447.8192.

PRICES — ALL PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE. We reserve the right to correct typographical errors in our catalogs. Due to volatility in world markets for paper, steel, and energy, it may be necessary for our suppliers to increase prices on some items. We will do our best to absorb these increases, but we may need to increase prices on some of our products as a result. Be assured we will always contact you to ask for your approval to ship the product at the new price. In addition, if product-specific trade tariffs or duties are imposed, we may need to pass those increases along to you as well.
